

AN 10/656,069
Page 2**AMENDMENTS TO THE CLAIMS**

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1-35. (Canceled)

36. (Currently amended) A kit for preparing an implant region between adjacent first and second bone surfaces comprising:

a rasp including a rasp head and a handle; and

a chisel including a hollow shaft that receives the rasp and spaced-apart first and second bone cutting edges adapted to slide over opposite first and second sides of the rasp head.

37. (Canceled)

38. (Previously presented) The kit of claim 37, wherein the shaft defines an alignment slot, and the kit further includes an alignment pin that extends through the alignment slot and engages the handle of the rasp to maintain rotational alignment between the rasp and the chisel.

39. (Canceled)

40. (Previously presented) The kit of claim 39, wherein the first and second sides of the rasp head include rasping structures.

41. (Previously presented) The kit of claim 36, further comprising a two piece implant adapted to be mounted at the implant region.

42. (Previously presented) The kit of claim 41, wherein the implant includes a bone growth portion and a support portion.
